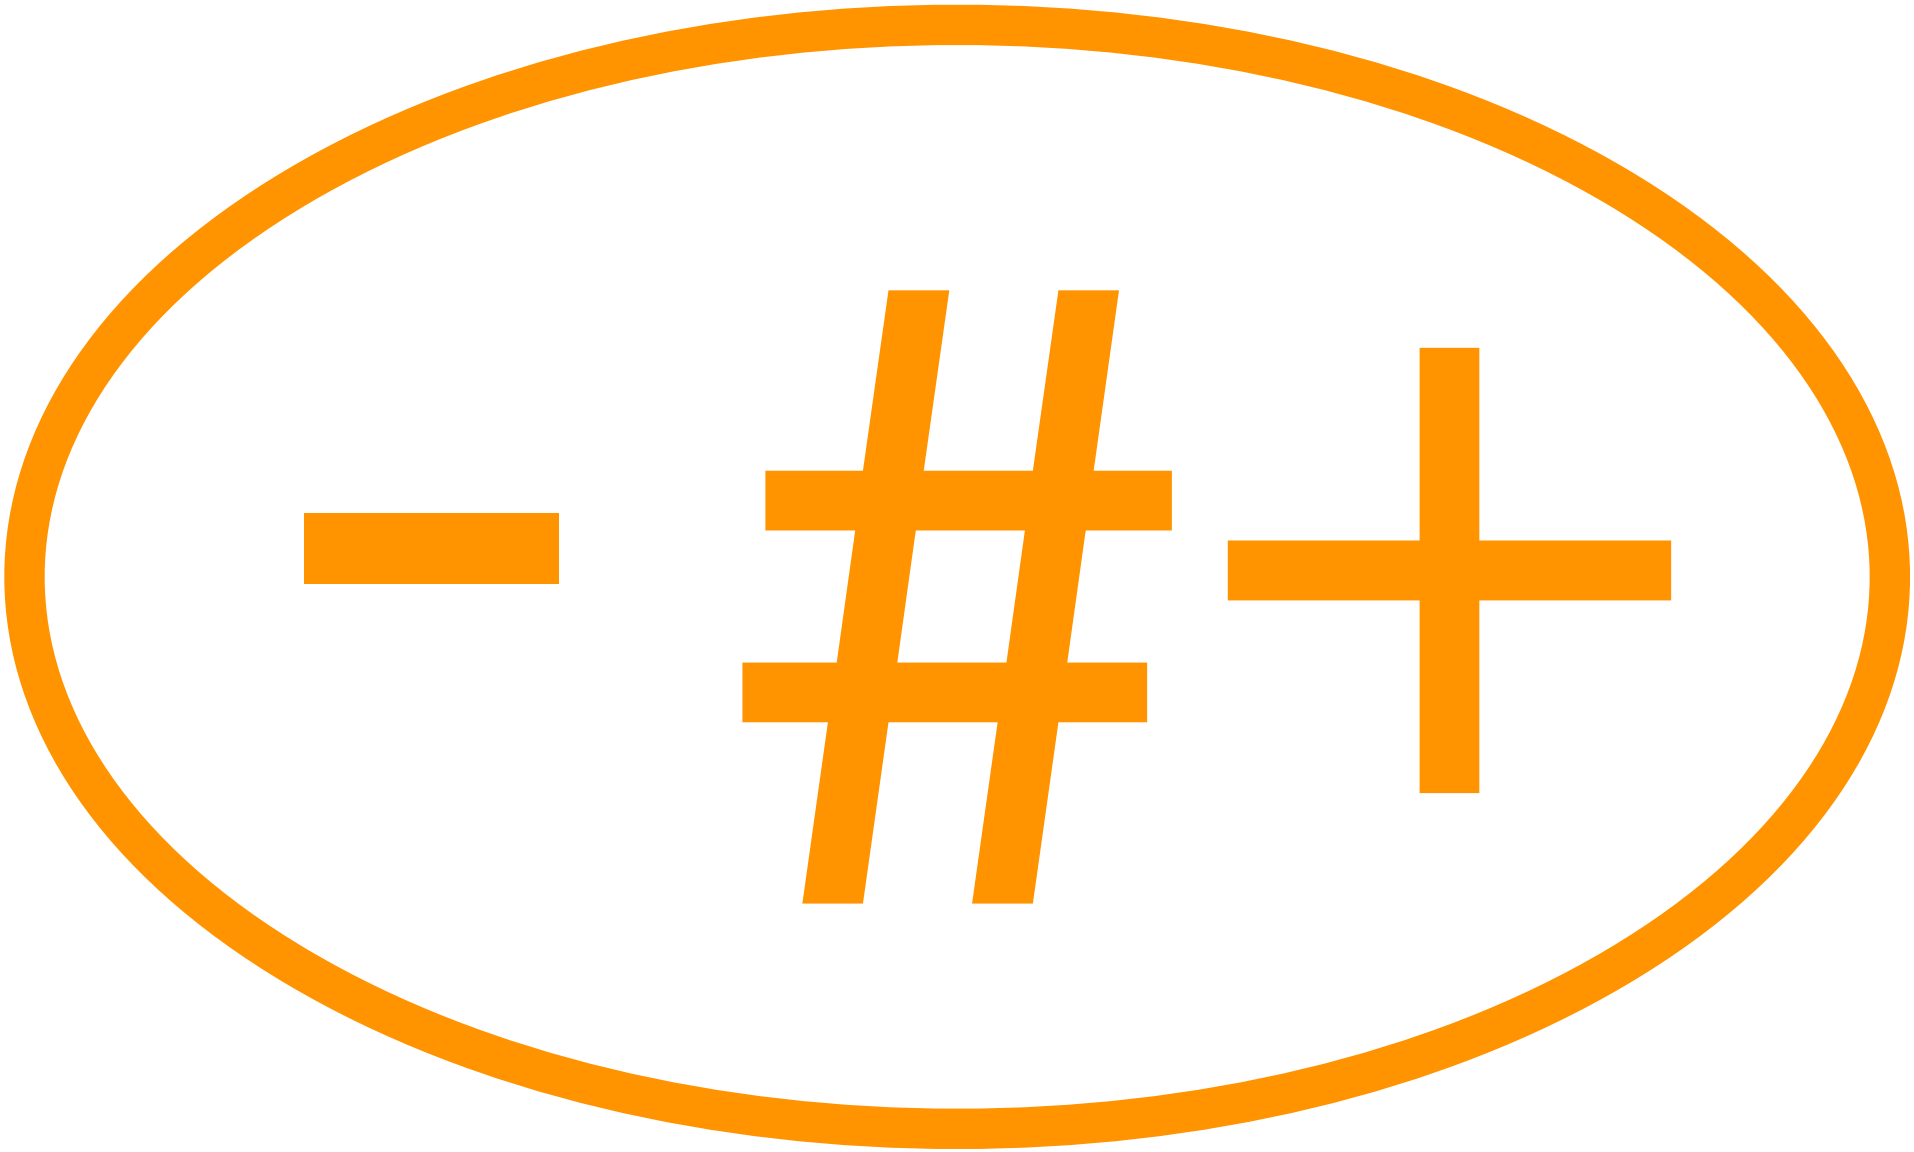
Well done! You have found the row that does NOT have a INTEGER



“Oh no! That is a -#+ !”

“You have to start over”

Well done! You have found the row that does NOT have a INTEGER

-#+

Congratulations!

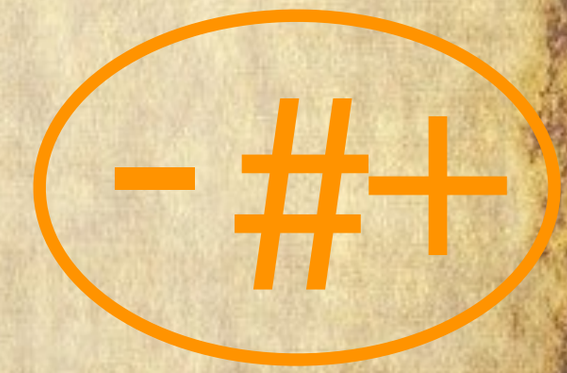
Now that you know the basics for numbers go find the next book on

EXPANDED NOTATIONS

“Find ODDY!”

Starting at -5

add 7

Minus 2


Where would ODDY be?
