

“Welcome to the Library of Automaticity!

Click on the Librarian for further instructions

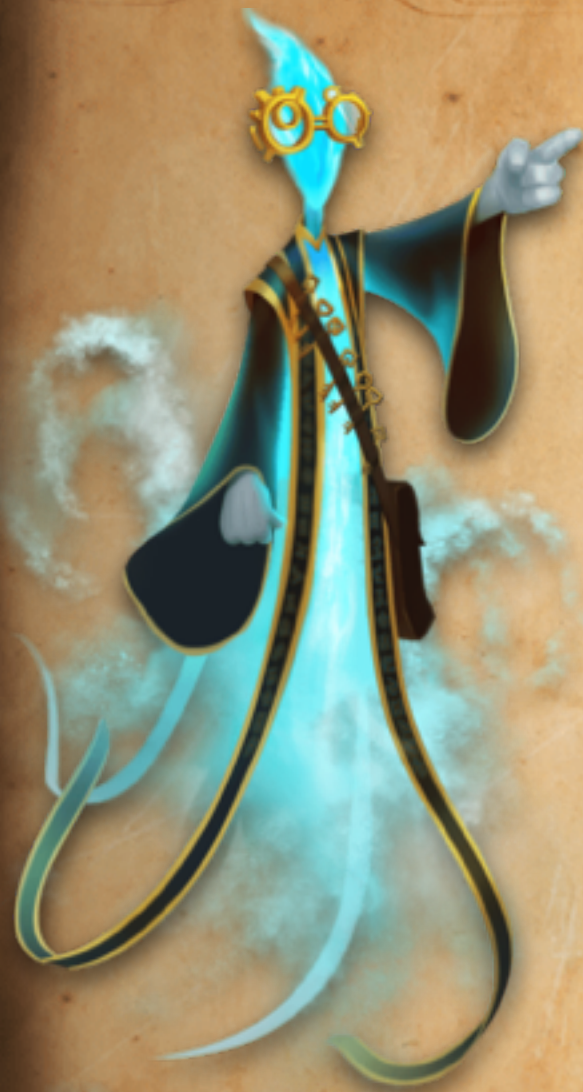

Click on me for helpful hints

Click on me again to close the hints

Good luck!

“SSHHHHH!!!!

You will startle the books!

Hi, I am the librarian. I speak through
my parchments and books.

Ahh I see... you are struggling to
complete Mathel Maize.

Do not worry we have just the thing to
help you.

Follow me to the stairs and let's start
your lessons!”

Oh! And use your thumb print to close
the parchment.
