

“Oh no! That is a **#+!**”

“You have to start over”

#+

Whole Numbers

Numbers starting at Z^Oro and
counting up forever in the #+

So its all the POSITIVE numbers including
ZERO

“Oh no! That is a #+!”

“You have to start over”

+

#

Positive Numbers

Collection of ALL POSITIVE numbers

$\{1, 2, 3, 4, 5, 6, 7, \dots\}$

Remember ZERO is not a $\# +$
