

Well done! You
have
found the row that
does NOT have a
POSITIVE NUMBER

“Oh no! That is a #+!”

“You have to start over”

Well done! You
have
found the row that
does NOT have a
POSITIVE NUMBER

+

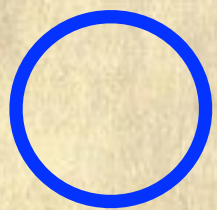

“Spot ODDY!”
*Find row that does
NOT have a positive number*

#+

#+

Whole Numbers

Numbers starting at Z^Oro and
counting up forever in the #+

So its all the POSITIVE numbers including
ZERO
