

“Hmph...
you really think you
know enough to
continue?
I would study the two
previous pages
carefully before going
further.”

“Hmph...
you really think you
know enough to
continue?
I would study the two
previous pages
carefully before going
further.”

“Why do we expand & Simplify?”

378

100X3

10X7

1X8

3H_{undreds}

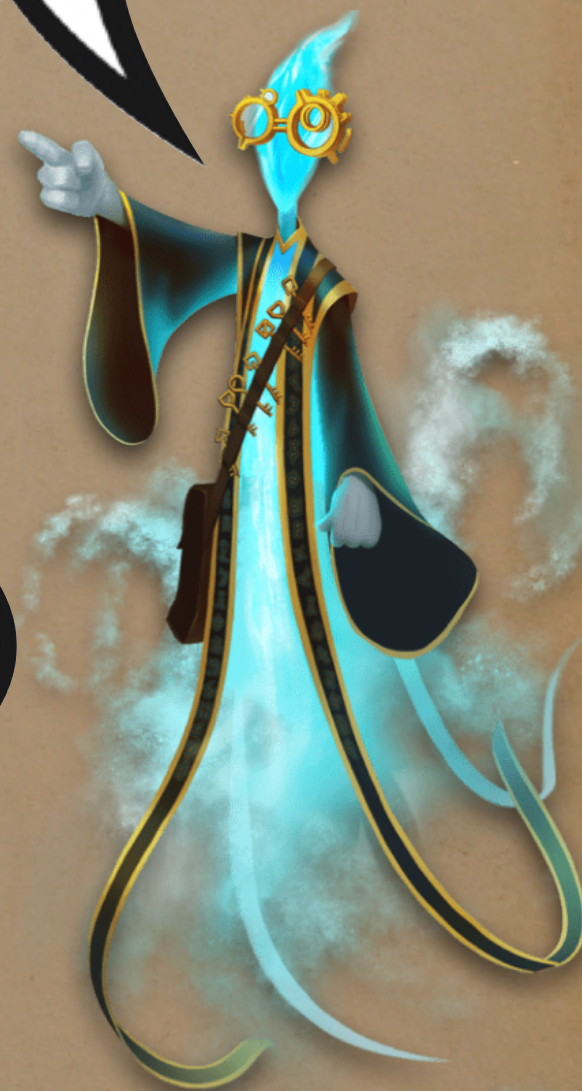

7T_{ens}

8U_{nits}

Simplifying the number
will help to understand
the relationships
between numbers

And it will help
with adding
larger numbers

On the right hand side will be the
expanded notations of the numbers on the
left. Let 🧙 be your guide.
Choose the correct notations.
