

“Oh no! That is a !”

“You have to start over”

Integers

They are like WHOLE NUMBERS

But include NEGATIVE NUMBERS

$\{\dots -7, -6, -5, -4, -3, -2, -1, 0, 1, 2, 3, 4, 5, 6, 7, \dots\}$

“Oh no! That is a **#+**!”

“You have to start over”

#+

Whole Numbers

Numbers starting at Z^Oro and
counting up forever in the #+

So its all the POSITIVE numbers including
ZERO
